## EXPERIENCE WITH CHILDREN

### Tutor- Tania (250-999-1510)

November 2018- February 2019 (Present)

Total hours: 11

- Tutored a 13 year old boy with autism one hour a week
- Assisting him with english, reading and math homework in his home

### Nanny- Mindy Caruso (250-315-8771)

September 2018- February 2019 (Present)

Total Hours: 648

- Supervising and entertaining three girls ages five, six and eleven independently
- Preparing the girls for school and assuring they get to their bus stop on time
- Cooking meals and preparing lunch for school
- Assisting with homework and reading bedtime stories
- Taking the children to the park or to other destinations to play
- Organising art projects and activities

### Summer Camp Leader- Merritt Civic Centre (250-315-1050)

June 2018- August 2018

Total hours planning: 10

Total hours conducting camp: 222

- Supervising and entertaining a group of up to 13 children, ages 5-12 with a co-worker and independently
- Creating, planning and organising educational and recreational activities collaborating with a coworker and independently (designing hand out materials for these activities)

Example: Multicultural week- plan two art projects, two games and two outside activities each related to a different culture (for each seven hour day, five days a week)

- Walked these groups of children on field trips that I previously planned and organised
- Supervised and planned activities for the group in the community swimming pool for up to 2 hours everyday. I often had up to 3 children under the age of seven and therefore needed constant supervision during the entire duration of the time spent in the pool.
- Using time management to execute planned activities and/or trips within the seven hour period and ensuring children are at a specific destination in time for parental pick up

### Volunteer at Bench Elementary School

May 2017- June 2017

October 2018- February 2019 (present)

Total Hours: 55

- Observed/ assisted in kindergarten, grade one, grade two and grade three classrooms during math, art, gym, writing/reading and science assisting those who needed help (around 25 children)
- Independently followed lesson plans with a group up to five students for guided reading and ensured the whole lesson plan was completed within given time frame
- Accompanied the class on field trips while supervising a group of five students leading them around the destination
- Discussed the teaching profession and teaching outlines/skills with several teachers at the school
